

Before

Once the new leather sofas arrived, Inside Out Colour & Design was engaged to select complementary paint colours, window coverings, rugs, coffee table, artwork and cushions to create a fresh, modern lounge room.

After

INSIDE OUT
COLOUR & DESIGN

A '70's staircase and entry was transformed by removing the carpet, polishing the timber and replacing the iron balastrading with stainless steel wire.

A contemporary bathroom makeover that delivers style, storage space and a bath for a young family.
